

Request for Incentives and Assistance

Justin Brown, Executive Director
(806) 983-4405

The Floydada Economic Development Corporation (EDC) was incorporated in the State of Texas as a Type B non-profit in the year 2000 in accordance with the IRS Code 1986. Its establishment was designed to **create primary jobs for the City of Floydada and the surrounding area**. The Corporation is governed by a seven-member Board of Directors that are appointed by the City Council of Floydada.

As a Type B Corporation in the State of Texas, the Floydada EDC can legally participate in a number of development efforts. Its mission is to develop promising economic opportunities using innovation, local resources, and a positive spirit that will promote the quality of life and guarantee the vibrancy of our area. In the 1991 Legislative Session, the State Legislature authorized a new type of sales tax, a Type B sales tax. This legislation authorized a one-half cent sales tax to be used by certain cities to promote a wide range of civic and commercial projects.

The Type B tax can be used to fund the provision of land, buildings, equipment, facilities, expenditures, targeted infrastructure and improvements that are for the creation or retention of primary jobs for projects such as manufacturing and industrial facilities, research and development facilities, military facilities, including closed or realigned military bases, transportation facilities, sewage or solid waste disposal facilities, recycling facilities, air or water pollution control facilities, distribution centers, small warehouse facilities, primary job training facilities for use by institutions of higher education, regional or national corporate headquarters facilities, eligible job training classes, certain career centers and certain infrastructural improvements that promote or develop new or expanded business enterprises.

The Floydada Economic Development Corporation accepts requests for incentives and assistance for those ventures that meet established guidelines as approved by the State of Texas. The Floydada EDC accepts request for incentives and assistance regardless of race, color, age, religion, disability, sex, or national origin. Please complete the following information if you would like to make a formal request for incentives and assistance.

Applicants interested in requesting tax abatement from the City of Floydada, Floyd County or other taxing entities must make a formal written request to each entity. The Floydada EDC cannot grant tax abatement requests. Please note that under Chapter 312, Tax Code for the State of Texas, to be eligible for county property tax abatement, the property must be located within a designated Reinvestment Zone and a tax abatement agreement must be executed between the owner and the county, before the improvements are constructed.
